(Webinar will also be available)

PURPOSE: As part of the 2012 Program Review, the RGGI participating states

Amendments which included a statement that "The Participating States will conduct ongoing program evaluation to continually improve RGGI.

The Participating States commit to commencing comprehensive program review no later than 2016 to consider program successes, impacts

review no later than 2016 to consider program successes, impacts, potential additional reductions to the cap post-2020, and other program

design elements."

The RGGI participating states will also use the regional 2016 Program Review stakeholder meetings as an opportunity to receive comments from stakeholders and experts on potential compliance with the EPA Clean Power Plan. More information on the EPA Clean Power Plan is available at http://www2.epa.gov/cleanpowerplan/clean-power-plan-existing-power-plants.

This meeting will solicit stakeholder input on RGGI program design elements, including considerations for potential compliance under the EPA Clean Power Plan.

This, along with other information gathered throughout program review, would be considered to support evaluation of any potential modifications to the RGGI program.

Additional information, including meeting logistics, agenda, and materials, will be available at www.rggi.org prior to the meeting.
