The participating states of the Regional Greenhouse Gas Initiative (RGGI) are conducting the Third RGGI Program Review to review the successes, impacts, and design elements of their CO<sub>2</sub> budget trading programs.

As part of the Third Program Review, the RGGI states will hold public meetings to discuss and seek feedback on Program Review considerations and results of the electricity sector analysis to date. A draft meeting agenda is included in section II below. A finalized agenda and meeting materials will be released ahead of the meeting.

These meetings will be held in two sessions, detailed below. Interested participants are encouraged to attend the session that best fits their schedule and language needs.

*Please note: these meetings will be recorded and made available on the RGGI website.*

### **I. Registration**

These meetings will be held remotely via phone and webinar and will be offered in two duplicate sessions on Tuesday September 26, 2023. To attend a meeting, please register for one of the sessions below.

On the registration form, please indicate if you wish to reserve a space during the meeting to provide verbal comments. Please also indicate if you would like to request interpretation, translation, or other accessibility services at this meeting, no later than one week prior to the meeting. Note that Session 2 will be presented in both English and Spanish.
